How to Find Time to Write: Overcome Writer's Block, Start Writing and Write Faster! Mike Fishbein Have you always **wanted to write more,** but you could **never get started?**

You kept putting it off, hoping you'd eventually find some free time, only to find out that months or even years went by and **you saw zero progress?**

Do you ever feel like you're stuck in a vicious cycle of not writing because you don't know where to start?

Or, perhaps you've been **trying to write** for quite some time now, but you spend most of your time **staring at a blank page with no idea where to start.**

This book is for people like you. People who want to write more, but **can't find the time in their crazy schedule to do so.**

See, I used to be just like you. I was **so busy.** By the time I would block off time to start writing, I wouldn't get anything done.

It was stressful and overwhelming.

I'd find myself struggling to come up with ideas while **staring at a blank screen** for what seemed like hours at a time.

What do I do differently today?

I've figured out a better and more efficient way to find the time to write. It's allowed me to post at least one blog post every day, and self-publish over 12 books in the last two years.

And I want to teach you all of my secrets.

See, writing isn't something you do when you're in a rush.

Writing takes time, energy, and creativity. Writing is hard.

You've got to come up with the ideas, organize your thoughts, and more importantly, **find the time to get your butt in the chair and just write.**

There are books on writing that discuss many myths and misconceptions out there about writing that makes it seem scary and impossible to do. **But it's not. The hardest part about writing is simply getting started.**

This book is filled with proven methods, tips, and solutions that every writer needs to know if they want to start seeing results.

After reading How To Find Time To Write Great Content, you will be able to:

- Make time in your busy schedule to achieve your writing goals that you've been putting off

- Avoid writer's block and get passed the blank page syndrome using simple tactics and techniques

- Develop an enjoyable writing habit by building momentum

- 10x your productivity by learning how to "get in the zone" and write faster

- Use the best tools in the game in order to guarantee long-term success with your writing

Follow the simple advice revealed in this book, and I assure you that by the end, you'll have everything that it takes to make time to write the book or blog posts you've been putting off for so long.

But, before you buy the book and dive in, I have one question for you:

What's really keeping you from writing your first book and how long do you want this to last?

Scroll to the top and click the "buy now" button, and kiss your days of writer's procrastination goodbye.
