Meta Tom Reynolds

It's been ten years since Connor Connolly lost his parents in 'The Battle'; a fight between The Governor and Jones, two of the world's strongest metas. Before 'The Battle' the world had been full of metas, super-powered humans whose amazing abilities came from mysterious wristbands. Since that day one has never been seen again.

Now 16-years-old, Connor lives in Bay View City with his older brother Derrick, a meta-obsessed blogger, where he's just trying to keep his head down long enough to survive high school. All of that changes the night he attempts to save a girl's life and wakes up to find the first new pair of metabands anyone has seen wrapped around his wrists.

Connor soon finds an unlikely ally in Midnight, a masked vigilante who helps him learn how to harness his new abilities, while also trying to balance his summer job at the lake. As a meta, Connor becomes known as Omni, potentially the most powerful meta the world has ever seen, but it isn't long before he finds out he's no longer alone...
