Shadow Heart (Broken Bottle Series Book 1) Pam Taeuffer
What if you were afraid to even turn the doorknob to your front door when coming home because of what might wait inside? What would it take to make you step out of your shadows, to once and for all break free from the twisted security of familiarity, and take a chance, a little risk, that **could change everything**?

What if you could ask for what you want without being afraid? Could you trust another person that much? Could you trust yourself to ask it and be willing to hear the things you fear?

And what if you could truly begin to conquer those deep fears that hide inside you, **allowing your heart to open, become vulnerable, and have the chance for real intimacy**--the kind that allows another to come closer than you've ever let anyone before? What if you dared to be loved and because you did, you transitioned into joy?

My name is Nicky Young. This is my family saga and a love story that tells about the horrible, beautiful, twisted, amazing vulnerability of family dysfunction and how I overcame fears of abandonment and deep intimacy. Relationships were things to be held at a distance. **When I learned to open my heart and trust another - and myself - I was able to really, really, be alive.**

This story is about letting go of old fears, daring to love and transition into joy.

"I'm very excited about this book in the Broken Bottles Series by Pamela Taeuffer. As a family therapist for more than thirty years, it is my opinion these books are like no other. They offer you an inspiring adventure as well as a thoughtful journey towards trust and intimacy. Truly a stimulating and thought-provoking read." --Louise Monahan, M.S., MFT
