[(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) Camille Georges Wermuth
The Practice of Medicinal Chemistry fills a gap in the list of available medicinal chemistry literature. It is a single-volume source on the practical aspects of medicinal chemistry. Considered "the Bible" by medicinal chemists, the book emphasizes the methods that chemists use to conduct their research and design new drug entities. It serves as a practical handbook about the drug discovery process, from conception of the molecules to drug production. The first part of the book covers the background of the subject matter, which includes the definition and history of medicinal chemistry, the measurement of biological activities, and the main phases of drug activity. The second part of the book presents the road to discovering a new lead compound and creating a working hypothesis. The main parts of the book discuss the optimization of the lead compound in terms of potency, selectivity, and safety. The Practice of Medicinal Chemistry can be considered a "first-read" or "bedside book" for readers who are embarking on a career in medicinal chemistry. NEW TO THIS EDITION: * Focus on chemoinformatics and drug discovery * Enhanced pedagogical features * New chapters including: - Drug absorption and transport - Multi-target drugs * Updates on hot new areas: NEW! Drug discovery and the latest techniques NEW! How potential drugs can move through the drug discovery/ development phases more quickly NEW! Chemoinformatics

From reader reviews:

Samuel Tapp:

The book [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) gives you the sense of being enjoy for your spare time. You may use to make your capable far more increase. Book can to become your best friend when you getting stress or having big problem along with your subject. If you can make examining a book [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) for being your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about many or all subjects. You may know everything if you like start and read a e-book [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008). Kinds of book are a lot of. It means that, science book or encyclopedia or other people. So , how do you think about this reserve?

Bonnie Daves:

The feeling that you get from [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) is the more deep you digging the information that hide inside the words the more you get interested in reading it. It doesn't mean that this book is hard to know but [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) giving you enjoyment feeling of reading. The article writer conveys their point in particular way that can be understood simply by anyone who read the idea because the author of this publication is well-known enough. That book also makes your own personal vocabulary increase well. So it is easy to understand then can go along, both in printed or e-book style are available. We suggest you for having this kind of [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) instantly.

Sherrie Beardsley:

You can spend your free time to see this book this book. This [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) is simple to bring you can read it in the park your car, in the beach, train as well as soon. If you did not possess much space to bring the actual printed book, you can buy the e-book. It is make you better to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Sheri Williams:

Beside this specific [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) in your phone, it could possibly give you a way to get nearer to the new knowledge or facts. The information and the knowledge you are going to got here is fresh through the oven so don't become worry if you feel like an older people live in narrow village. It is good thing to have [(The Practice of Medicinal Chemistry)] [Author: Camille Georges Wermuth] published on (August, 2008) because this book offers for your requirements readable information. Do you often have book but you would not get what

it's about. Oh come on, that won't happen if you have this in the hand. The Enjoyable option here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the idea? Find this book and read it from now!
