Unfashionably Late

Vic Fieger

Unfashionably Late Vic Fieger
Audrey Perlmutter is a woman obsessed, brimming with a twitching monomania. For all of her 29 years, she's been on the straight and narrow, suppressing her natural desires and believing that things would work themselves out in their own time. However, a shocking event intervenes to remind her how short life is. It's time for her to stop being passive and waiting for the world to make the first move, but taking charge of your own life isn't as easy as it's made out to be. Can a shy, unassertive manga-lover turn her life around and find love? Unfashionably Late is a romantic comedy that's more reality than romance. It is an examination of sex and the role it has played in shaping our modern society, as seen through the eyes of the girl who wasn't invited to the party. If you've always been told that you can't hurry love, it's not too late to change your mind. But remember, the truth isn't always pretty.
