A Shattered Peace: Versailles 1919 and the Price We Pay Today

David A. Andelman

A Shattered Peace: Versailles 1919 and the Price We Pay Today David A. Andelman
peace settlements that followed World War I have recently come back into focus as one of the dominant factors shaping the modern world. The Balkans, the Middle East, Iraq, Turkey, and parts of Africa all owe their present-day problems, in part, to these negotiations. David Andelman brings it all back to life--the lofty ideals, the ugly compromises, the larger-than-life personalities who came to Paris in 1919. And he links that far-away diplomatic dance to present-day problems to illuminate our troubled times. A tremendous addition to this vitally important subject." --Ambassador Richard Holbrooke
