Marshall Thornton

Boystown 6: From the Ashes (Boystown Mysteries) Marshall Thornton
It’s winter 1984. Private Investigator Nick Nowak has allowed his life to fall to pieces: He’s stopped taking cases, given up his apartment and taken a job as a bartender at a sleazy joint tucked under the El. All he wants to do is stay hidden and lick his wounds after the death of his lover, Detective Bert Harker. But when the least likely person in the world shows up at the bar and asks him to take a new case, he finds himself investigating the very unsuspicious death of a priest. Nick is convinced he’s wasting his time until the clues begin to add up to something entirely unsuspected.
