Camino de Santiago Map 2nd edition Ben Cole, Bethan Davies
The second edition of our popular map of the Camino de Santiago is now available. The Camino de Santiago (the Way of St James) is a glorious walk across the north of Spain, following an ancient pilgrimage route west to the magnificent cathedral at Santiago de Compostela. 40 full-colour trail maps at 1:100,000 scale and 6 city maps guide pilgrims across this ever-popular route, walked by more than 100,000 pilgrims each year. This mapbook strips the Camino de Santiago down to its bare essentials. Each map includes picture icons for accommodation, cafés, restaurants, shops, tourist information, banks and cashpoints. New for the second edition is a multilingual key in English, Spanish, French and German. 7 detailed accommodation pages list every albergue (pilgrim hostel) along the way, along with hotels and other places to stay for every budget. Camino de Santiago Map is lightweight, compact, and slides into pockets or backpacks. In book format with an easy-to-use covered spiral-bound spine, the mapbook lies flat and stays open even during the strongest gales: no wrestling or origami skills required.
