Feminist Fantasies

Phyllis Schlafly

Feminist Fantasies Phyllis Schlafly
No assault has been more ferocious than feminism's forty-year war against women. And no battlefield leader has been more courageous than Phyllis Schlafly. In a new book of dispatches from the front, feminism's most potent foe exposes the delusions and hypocrisy behind a movement that has cheated millions of women out of their happiness, health, and security.

Phyllis Schlafly was one of the first to recognize that feminism-like other destructive ideologies-is at odds with human nature. So as the rest of the intellectual elite fell compliantly into line, she took up the fight for the right to be a woman. Feminist Fantasies is the inspiring story of that fight.

Like communism, feminism has been a catastrophe for the people it was meant to help. Mrs. Schlafly opens with a demonstration of its failure in every aspect of women's lives. She then examines the media, feminism's trusty handmaiden, zealous to cover the shortcomings of its mistress. Next, she dissects the feminist agenda policy by policy, from "comparable worth" to the attack on reason. Mrs. Schlafly devotes an entire chapter to the feminist assault on the military-an area where crackpot ideas have dire consequences. Finally, she returns to the heart of most women's lives-marriage and motherhood-where feminism has inflicted the deepest pain.

Ann Coulter, author of the best-seller Slander, is unabashed in her admiration: "Schlafly is brilliant, beautiful, principled, articulate, tireless, and most important, absolutely fearless. And, as this book demonstrates, she is always right. She has always been right. She will always be right."

David Wilkens:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Feminist Fantasies can make you truly feel more interested to read.
