Open: An Autobiography

Andre Agassi

Open: An Autobiography Andre Agassi
From Andre Agassi, one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court, a beautiful, haunting autobiography.

Agassi's incredibly rigorous training begins when he is just a child. By the age of 13, he is banished to a Florida tennis camp that feels like a prison camp. Lonely, scared, a ninth-grade dropout, he rebels in ways that will soon make him a 1980s icon. He dyes his hair, pierces his ears, dresses like a punk rocker. By the time he turns pro at 16, his new look promises to change tennis forever, as does his lightning-fast return.

And yet, despite his raw talent, he struggles early on. We feel his confusion as he loses to the world's best, his greater confusion as he starts to win. After stumbling in three Grand Slam finals, Agassi shocks the world, and himself, by capturing the 1992 Wimbledon. Overnight, he becomes a fan favorite and a media target.

Agassi brings a near-photographic memory to every pivotal match and every relationship. Never before has the inner game of tennis and the outer game of fame been so precisely limned. Alongside vivid portraits of rivals from several generations - Jimmy Connors, Pete Sampras, Roger Federer - Agassi gives unstinting accounts of his brief time with Barbra Streisand and his doomed marriage to Brooke Shields. He reveals a shattering loss of confidence. And he recounts his spectacular resurrection, a comeback climaxing with his epic run at the 1999 French Open and his march to become the oldest man ever ranked number one.

With its breakneck tempo and raw candor, *Open* will be listened to and cherished for years. A treat for ardent fans, it will also captivate listeners who know nothing about tennis. Like Agassi's game, it sets a new standard for grace, style, speed, and power.
