Included stories:

Punishing Rapunzel
When Prince Sabastian comes through Rapunzel's window, she believes she is to be free of her imprisonment and the enchantress who has held her prisoner for so long. But the Prince requires payment first, payment of a very specific, sexual nature.

Rapunzel is naïve to the ways of men and the world. She's never even laid eyes on a male organ. Bound to her bed by her own hair, by sunrise she will learn not only of the Prince's dark desires, but his quest to both humiliate and dominate her completely. Will she finally find freedom, or be cast once more into a life of cruel captivity?

Punishing the Little Mermaid
The daughter of Triton knows only of the cove through the tales of her eldest sister. It's a place of sin, debauchery, the basest of human desires, and all she wants to do is see it just once. Creating a pack with the grotto witch, the Little Mermaid finally rises above the surface for the first time and bears witness to the ravishment of a peasant girl by a **pirate king** and his men. She is soon uncovered and brought before them, terrified but also curious as to the function of the wet new juncture between her legs.

The Little Mermaid is about to learn what is to be human and vulnerable. Will the pirate king save the naïve creature for himself, or will he let his men use her every orifice as they please – **hard and rough**? Will she even survive the night to tell the tale?

Punishing the Ice Queen

Prince Casimir has finally found the lair of the **ice queen**, the witch who plunged his kingdom into an eternal winter. He has lost a lot to the **frozen spell** the queen has cast, but now she is within his grasp. He remembers vividly the way she looked at her coronation ball, the soft curves of her body waiting to be ravished and plundered. Now, her sister as his captive, the ice queen will be at his complete and utter mercy.

But the ice queen has a will of her own. She will not submit so easily.

All characters over 18 and not related by blood.
