Arsenic and Old Armor (A Highland Romance) May McGoldrick
Arm yourself…

for the wedding of the sixteenth century!

Forget the English. Forget the Reformation. Forget your sanity…
Try getting married when your betrothed can wield an iron pot with deadly accuracy, her mad uncle thinks he's William Wallace, and her two maiden aunts can't finish a sentence—or a thought—on their own…
Such are Sir Iain Armstrong's travails when he sets out to wed Lady Marion, a convent-raised spitfire. All Iain wants to do is fulfill their fathers' wishes, appease two royal courts, and do what is best for the future of Scotland by putting an end to all the troubles in his part of the Borders. All Lady Marion has to do is agree to marry him, which is the last thing on her mind when Iain arrives at the convent. She won't be taken without a fight. And even when she realizes that Iain is a man of courage, intelligence, and seductively powerful shoulders, will her eccentric family do what her temper tantrums, willful ways, and pride have so far failed to do—and drive him away forever?

Join in on this medieval Highland spoof of
Arsenic and Old Lace…
CHARGE!!
