I Love You More... Than Chocolate Melanie Milburn
This book was originally a song, and inside the back cover, you have a CD of Melanie singing the song. When Melanie would tuck her children into bed at night, she made sure they knew how much they were loved. She told them she loved them more than anything even chocolate! Her children knew she was a chocoholic, so they had no doubt, they knew they were loved! Every child wants to know they are loved, and this book conveys what parents want their children to know in a way that speaks clearly and impressively to the child's mind and heart.
