The Demon Conspiracy (The Demon Conspiracy Series) (Volume 1) R. L. Gemmill
When Kelly Bishop and her brothers move in with a foster family in northern Virginia, it seems their lives can finally be normal again. That’s until they’re trapped deep within Pandora’s Cave. In the cave they witness a sinister pact between a powerful businessman and the Demon world that promises to launch the greatest war in history. The good news is the kids made a video of the entire event. The bad news is the video may still be in the demon-infested cave and nobody believes their story. The Demon Conspiracy is loaded with heart-pounding terror, deep mystery, and characters you will never forget. It is the only teen novel series required by the American Security Administration to post a warning about potential negative psychological effects on the reader. READ WITH CAUTION.
