Rebellion to Tyrants is Obedience to God: The Role of Christianity in the American Revolution

Daniel S. Stackhouse Jr. Ph.D.

Rebellion to Tyrants is Obedience to God: The Role of Christianity in the American Revolution Daniel S. Stackhouse Jr. Ph.D.
Often when the subject of religion and the American Revolution is written about or discussed, people fall into one of two camps. The first proclaims that America was founded as a Christian nation based upon the Bible and its teachings. Meanwhile, the other declares that America was created as a completely secular country and that Christianity, the Bible, God, and Jesus had absolutely nothing to do with it. In "Rebellion to Tyrants is Obedience to God: The Role of Christianity in the American Revolution," Daniel S. Stackhouse, Jr. argues that Christianity played a significant role in the creation of the American republic. While acknowledging that the revolution birthed a nation with a secular Constitution and therefore a secular government, Stackhouse also presents evidence that Christian thought, preaching, and practice helped to create and sustain colonial resistance to British policies and lead to the founding of the United States of America. "...a significant work that takes a solid position against those who argue outlying positions that America was either a wholly secular creation, or that America was always governed by Christian precepts." - Amazon.com
