Wealth by Way of Destruction Christopher Costanza
The planet Earth, a priceless rarity in the known universe is currently under attack by the industry of man. Our unnecessary use of fossil fuels and generated electricity solely exist to provide avenues of gross profit. The assault taking place on our home and the suffering these industries cause must be stopped. The choices made by the current populations and generation to come will prove to be the most crucial in the history of the world. They will in fact seal the fate of humanity.
