Oftentimes, we look for the right things in the wrong places. Consequently, they elude us like chasing an impossible dream so we remain unfulfilled - hungry and thirsty. We may search far and wide for things that will fulfill us, only to come up empty-handed. And to add insult to injury, the happiness we sought was already within our grasp where our journey had started. Then there are times when we get the things we sought but they fall short of expectations and we still end up unfulfilled - hungry and thirsty. For me, one of the things I chased was happiness and I found it in many places. However, I often neglected the best source of happiness for other things that could never compare. The source of happiness that I needed was God. If you find yourself looking in the same places but keep falling short, maybe it's time to look somewhere else for your daily bread.
