CAME A SHADOW (The Shadow Trilogy Book 1) Patrick Dakin
When he is eight years old Reuben Sykes kills his abusive father in a remote cabin in the mountains of Virginia. Although the act brings with it a sense of tremendous relief, Reuben takes no pleasure in it. The subsequent murder of his sister, though, is an entirely different matter. When done, in fact, his only regret is that he can't kill her all over again.
Sixty-four years later, when four-year-old Sophie Crandall is abducted from her grandfather's home in rural Maine, the ensuing investigation brings answers no one is prepared to hear.
A roller-coaster ride of a book that will thrill you, shock you, and ultimately leave you with a sense of dread.
