Forbidden Fruit - A Luscious and Exciting Story

And More Forbidden Fruit or Master Percy's Progress

Classic Victorian Erotica

In the Victorian period, the quality of erotic fiction was much below that of the previous century—it was largely written by 'hacks'. Some works, however, borrowed from established literary models, such as Dickens. It also featured a curious form of social stratification. Even in the throes of orgasm, the social distinctions between master and servant (including form of address) were scrupulously observed. Significant elements of sado-masochism were present in some examples, perhaps reflecting the influence of the English public school, where flagellation was routinely used as a punishment. These clandestine works were often anonymous or written under a pseudonym, and sometimes undated, thus definite information about them often proves elusive.

English erotic novels from this period include The Lustful Turk (1828); The Romance of Lust (1873); The Convent School, or Early Experiences of A Young Flagellant (1876) by Rosa Coote [pseud.]; The Mysteries of Verbena House, or, Miss Bellasis Birched for Thieving (1882) by Etonensis [pseud.], actually by George Augustus Sala and James Campbell Reddie; The Autobiography of a Flea (1887); Venus in India (1889) by 'Captain Charles Devereaux'; Flossie, a Venus of Fifteen: By one who knew this Charming Goddess and worshipped at her shrine (1897). A novel called Beatrice, once marketed as another classic of Victorian erotica from the pen of the ubiquitous "Anon", now appears to be a very clever 20th-century pastiche of Victorian pornography. It first appeared in 1982 and was written by one Gordon Grimley, a sometime managing director of Penthouse International.

Clandestine erotic periodicals of this age include The Pearl, The Oyster and The Boudoir, collections of erotic tales, rhymes, songs and parodies published in London between 1879 and 1883.
