Foul Play!

Grant Geissman

Foul Play! Grant Geissman
Legendary publisher Bill Gaines is perhaps best remembered as the founder of **MAD Magazine**, but in the opinion of many dedicated comic book fans, his greatest achievement was E.C. Comics, a line of adventure, horror, and science-fiction comics whose influence on American graphic novels is undeniable, even today. **Foul Play!** is the perfect book for anyone wanting to understand the special place E.C. holds in the comic fan's heart -- or who just wants to read some real good comics!

Foul Play! celebrates the fan-favorite creators of E.C. Comics, profiling their artists -- a veritable who's who of mid-20th century popular illustration -- and describing how they came to work with Bill Gaines and how their careers evolved after E.C.. Among the comics art legends profiled are Al Feldstein; Harvey Kurtzman; Johnny Craig; Jack Davis; Graham Ingels; Jack Kamen; Wallace Wood; Joe Orlando; Will Elder; John Severin; George Evans; Al Williamson; Reed Crandall; Bernie Krigstein; and more! Plus, the book includes a special bonus: a lost E.C. Comics story "Wanted for Murder!" originally intended to be published in 1956 but forgotten and unseen until now.

When originally published, E.C. Comics titles like **Tales from the Crypt, The Vault of Horror,** and Weird Science became best-selling titles, embraced by readers for their macabre wit and stunning illustration. Eventually, E.C. Comics ran afoul of a full Senate Subcommittee investigating (but never proving!) the link between comic books and juvenile delinquency, but not before winning a legion of fans that still treasure E.C.'s output. **Foul Play!** demonstrates -- in glorious, gory detail -- exactly why these are among the most beloved comics stories ever published.
