Jelly Beans in Life

Siegfried Hanover

Jelly Beans in Life Siegfried Hanover
Jelly Beans in Life, set in Reagan America 1987, cleverly integrates love, business, politics and gritty determination into a smart, fun fast paced story that will inspire you to discover the Jelly Beans in your life.
Manor House Publishing: "This beautifully written journey through Americana is a perfect companion whether in a lounge chair on a sunny day sipping a glass of lemonade or curled up with a blanket sipping a cup of coffee in front of a fireplace."
EXCERPTS FROM JELLY BEANS IN LIFE
Jelly Beans in Life...on relationships "Since women were the biggest mystery in Larry's life, he started at the burger in hopes that the secret to understanding women would be revealed somewhere between the mustard and the pickle."
Jelly Beans in Life...on politics "The much anticipated Lake Mathias Town Hall Meeting...would not only reveal the fate of the housing moratorium in a sleepy town, but would also measure the political clout of Susan Schafer, a tenth grade English teacher. This...controversy could ...determine the political future of a John Lennon loving, Corvette driving democrat married to a Jelly Bean eating, republican businessman with a square head and ratchet ass."
Jelly Beans in Life...on coffee "Ever since she met Mary, Susan added a splash of milk to make her smile and a sprinkle of sugar to make her sweet. Larry had not recognized Susan's new sweetness, but that was understandable. He was a man."
