Mercury Falls (Mercury Series Book 1) Robert Kroese
While on assignment in Utah, Christine Temetri isn't surprised when yet another prophesied Apocalypse fails to occur. After three years of reporting on End Times cults for a religious news magazine, Christine is seriously questioning her career choice. But then she meets Mercury, a cult leader whose knowledge of the impending Apocalypse is decidedly more solid than most: he is an angel, sent from heaven to prepare for the Second Coming but distracted by beer, ping pong, and other earthly delights. After Christine and Mercury inadvertently save Karl Grissom—a film-school dropout and the newly appointed Antichrist—from assassination, she realizes the three of them are all that stand in the way of mankind's utter annihilation. They are a motley crew compared to the heavenly host bent on earth's destruction, but Christine figures they'll just have to do. Full of memorable characters, *Mercury Falls* is an absurdly funny tale about unlikely heroes on a quest to save the world.
