Mobile Bay and the Mobile Campaign: The Last Great Battles of the Civil War

Chester G Hearn

Mobile Bay and the Mobile Campaign: The Last Great Battles of the Civil War Chester G Hearn
In the Civil War, both sides understood that closing the Souths ports would halt the introduction of war matriel to the industrially weak region. Though the North captured New Orleans in 1862, they did not attack the Confederate navy in Mobile Bay or the city of Mobile, Alabama, until 1864. The two-year delay allowed much needed supplies to enter the Confederacy and changed the face of the ensuing Mobile Campaign, as technological advances in ships submarines, mines and fortification made a striking difference in the fighting. This book examines the politics, preparations, leaders, and battles that made the Mobile Campaign a microcosm of the overall conduct of the Civil War.
