Third Person: A JJ Stoner short story (The Stoner Series Book 3) Frank Westworth
A target is being stalked through rain-soaked city streets. Someone is seeking JJ Stoner, independent operative, covert investigator and occasional contract killer. Caution is advised: with Stoner you often get more than you bargain for and this is Ireland, not so very long after the Good Friday agreement. The cease-fires are holding firm, so far, but someone wants to put a cat among the peace process pigeons…

THIRD PERSON, a short story, features characters from the JJ Stoner / Killing Sisters series.
The first full-length book in that series, 'A Last Act of Charity', is available in paperback and ebook formats.
As well as a complete, stand-alone story, THIRD PERSON includes an excerpt from 'A Last Act of Charity' and behind-the-scenes bonus material, 'It Begins In The Middle.'

Please note that THIRD PERSON is intended for an adult audience and contains explicit scenes of a sexual and/or violent nature.

Feedback for the Killing Sisters / JJ Stoner stories:
'It launches you straight into the mayhem and, like its protagonist, JJ Stoner, takes no prisoners.'

'A fast-paced, high-powered thriller… Terse and stiletto streamlined and sharp as the blade of a knife.'

'Sharp. Staccato. Smart. Lovers of long, luxurious, lyrical prose should read this to see how the other half writes.'

'Gritty story-telling at its best, with graphic (but well-written) sex and a plot that fires from the hip.'

'The tightly-written prose has more than a touch of the Elmore Leonard about it – sparse, sharp and often witty as well.'

'There is hardly time to draw breath in this fast-moving adventure introducing a frighteningly capable executioner.'

'Serial killings and strange sisters, hard as nails hit men and shady superiors, sleazy blues and sometimes seedy sex.'

'A punchy and compelling tale of an ice-cold assassin, more nuanced than your average hired killer. The writing is sparse and crisp, the dialogue frequently laced with sardonic British edge.'

'Clever dialogue and plenty of descriptive narrative providing context for the violence, depth to the characters and shape to the story.'

'Our first meeting with JJ Stoner does nothing for the man's chances of being nominated for any awards for

unbridled compassion or for turning the other cheek.’

‘Westworth's fiction does not judge JJ Stoner. It simply, fluidly, outlines him, states what he does, in stark, vivid language that draws you inexorably deeper.’

‘The writing is clever and inventive, paying few dues to existing genres or styles... There is a hint of Derek Raymond in the more visceral physical descriptions and the sense that we are looking at a dark and dystopian oil painting.’

‘A brilliant read, along the lines of Jack Reacher. I look forward to the full novel.’

‘The dialogue is snappy, the characters are sharply developed, and the plot moves effortlessly forward.’

‘Intelligently written, with excellent characterisation, sharp wit and punchy back-n-forth dialogue.’

‘The author makes no apologies for Stoner's pragmatic attitude towards the elimination of his targets, and the result is a solid, well thought through action thriller, intelligently handled.’

‘Rich and ambitious, this violent tale plays out with memorable scenes interspersed with writing to savour. A feast of poetic prose wrapped in noir.’

‘Sophisticated story-telling, written in a mature style, and targeted at a mature audience.’

‘The novelette has a terse, spare style and winds the reader in – definitely a page-turner. Move over Ian Fleming, JJ Stoner could replace James Bond…’

‘There are some sequences which are as satisfyingly testosterone-soaked as any Jack Reacher adventure, and then some which are as bleakly subtle as über-nuanced Japanese noir. For every alpha male with a gun and a hard-on, there’s an equal, often opposing feminine force: frequently just as effective and half as smart again.’
