"Anticlimax Leviathan" is the true story of a strange young man from Detroit. A blue collar worker for the auto industry, our metal/punk Anti-Hero has big dreams. Breaking into journalism, he soon becomes a member of the press, a taxi driver, extreme metal critic, political writer, music promoter & underground filmmaker before hitting the road as a traveling counterculture journalist.

Ending up in Seattle a haunted drifter, he lives off Craigslist, odd jobs & ever-collapsing living arrangements. Finally ending up homeless after the Wall Street crash of 2008 he lustfully embraces the street, re-creating himself as lead character in his own bizarre romance novel.

Along the way he meets a legion of 'Street Crazies' that have fallen through the cracks as well, uniting to form the legendary “FREE THERAPY” movement. Step by step they build a new world from the ashes of their lives, all which leads to a massive road saga through America & Europe, climaxing with the Occupy encampments of 2011.
