Beary and Bright (Fire Bear Shifters Book 6) Sloane Meyers
For Clara and Carter, Christmas is full of surprises.

Polar bear shifter Clara Walsh is on the run from her past when she finds herself stranded in California. Luckily, a group of black bear shifters welcome her in and give her the chance to start over. Clara is happy enough with her new friends, but as Christmas approaches she longs for someone special to share the season with. She quickly pushes away the idea, though, thinking that any man she finds won't be able to handle knowing that his girlfriend is a bear. But when a crisis situation forces her to show her true side to a man she's been admiring from afar, she can only hope that the holidays won't be ruined by her shocking revelation.

Carter Shaw may be one of the toughest guys you've ever met, but he's also a hopeless romantic at heart. Deep down, he wants nothing more than a woman to love and spoil, and he's never met a woman he wanted to do that for more than Clara Walsh. But when a freak accident on a rainy December night leaves him fighting for his life, he learns that loving Clara will be a much bigger adventure than he thought...

Get your copy of this heartwarming Christmas shifter romance, and lose yourself in the magic of the season.
