She's Jack Reacher, only female, smaller, and nicer. Like Reacher, Jess is alone in the world wherever she goes. But unlike Reacher, Jess is on a mission only she believes in, only she can complete. In Jess's shoes, could you do what she's done?

Relentless victims' rights advocate Jess Kimball and Jack Reacher both deliver justice when the legal system fails. Reacher waits until trouble finds him and then he does whatever it takes. But Jess pursues legal justice and draws lines she will not cross. How can she win against killers who refuse to follow the rules?

Three years ago, beloved Florida Governor Helen Sullivan's world shattered when her only son died in a senseless car crash, killing his best friend, too. Helen quickly discovered Eric's crash was no accident and lured the killer to her son's funeral to be caught. When the shooting ceased in the small country church, Helen believed her nightmare was over. Instead, she'd unwittingly escalated her duel with a cunning and patient assassin.

Now, investigative journalist Jess Kimball is driven to find the horrifying truth. Is the Central Florida Child Killer guilty? Or is the real killer still out there? Helen and Jess together face the determined killer in a pitched battle of wit and nerve. Who will survive?

Fatal Enemy - Jess Kimball hadn't been in the same room with Richard Martin for more than a dozen years. Worse things than Richard had happened to her since she'd seen him last. He'd find out soon enough that she wasn't a gullible sixteen-year-old anymore. She was his enemy now and he was hers, whether he knew it or not.

Jess decided long ago she would never yield to him again. Richard Martin would make his choice tonight. Would they become fatal enemies? In this tense battle of nerve and guile, who will survive?
