Finding Love at the Trail's End: a western romance novella Leigh Smith
Following the death of her mother, life takes a turn for the worse for Lily Rose. When her father succumbs to alcoholism, Lily is forced to run the family's mercantile business on her own. However, when handsome wagon train scout Johnny Billings takes a fancy to her, she seizes the opportunity to get away, and although he forbids her to accompany him on the Oregon Trail she finds a way to finagle her passage.

During the long and often arduous journey, Johnny and Lily Rose fall in love. They marry and spend their wedding night beneath the stars under the cover of tall cottonwoods. Lily Rose, however, is frequently sharp-tongued and not adverse to throwing the occasional temper tantrum when things aren't going her way. But Johnny knows just how to deal with her... he takes her over his knee for a well-deserved spanking, an activity which usually leads to great sex.

Eventually, the newly married couple settle at a ranch in Fort Laramie where they look forward to a long and happy life together. But disaster strikes and Johnny is killed during a fierce storm. Grief stricken, Lily Rose is left wondering if she will ever be happy again. Some months later, Johnny's childhood friend, Luke, arrives and an instant attraction is formed. Perhaps she can still find love at the end of the trail?
