Dana Kollmann

Never Suck A Dead Man's Hand: Curious Adventures of a CSI Dana Kollmann
Step past the flashing lights into the true scene of the crime with *Never Suck a Dead Man's Hand*, a frank, unflinching, and unforgettable account of life as a crime scene investigator. Smart, sassy, and blessed--or cursed, depending on your point of view--with a stomach capable of working through the most horrific circumstances, Dana Kollmann details her true, unvarnished experiences as a CSI for the Baltimore County Police Department. Unlike the popular crime dramas proliferating on today's television networks, Kollmann's forensic tales forgo glitz for grit to show what really goes down once the yellow tape goes up.

With an informative, outspoken voice, Kollmann unveils the process and science of crime scene investigation in all its can't-take-your-eyes-away fascination. Whether explaining rigor mortis or the art of fingerprinting a stiff corpse on the side of the road, frantically brushing off a shower of roaches or pushing away a dead body, speeding to a horrific accident scene or cautiously entering a house of death, she shows what it's really like to work in the front lines as a forensics expert.

Vividly detailed and lightened by a disarming gallows humor, Dana Kollmann's true life-and-death experiences bring the sights, smells, and sounds of a crime scene alive as never before. She recounts stories that the cops and the CSI's usually leave on the field, far away from the delicate sensibilities of the average civilian--and forbidden from her family's dinner table. It's a strange world behind the yellow tape, and *Never Suck a Dead Man's Hand* offers a truly eye-opening perspective on the day-to-day life of a CSI.
