1 Survivor

Last year, Evenstad Media's hit reality show, The Park, rocked the world. Death, subterfuge, sex: it had it all, and the public begged for more. Evenstad came back with a second season: The Mall. Twelve more strangers, eleven more murders, and one more opportunity to rake in money.

But as the show airs, there's something more going on. Evenstad Media's Chief Operating Officer is getting harder and harder to reach, and nobody knows why. The company's computer systems are being hacked, and nobody knows how. There's an uprising against the violence Evenstad is putting into the world, but nobody knows who.

What will happen to The Mall, and to Evenstad Media? Who will make it out alive? And what happens when the destruction falls on both sides of the arena walls?
