Kisses From Jack: The Other Side of a Billionaire Love Story (The Kisses Series Book 0) Krista Lakes
Finally, kisses from the billionaire's point of view...

Jack Saunders wanted one last hurrah before taking the mantle of DS Oil & Gas, the billion-dollar company that his father founded. His friend, Owen, let him borrow his mansion on a tropical island so that he could throw a final party before "marrying" the business that would dominate the rest of his life. He brought his secretary, Brandy, hoping that he could kindle a relationship that would last through the long days and nights of running a company. However, while the party was great, the gold-digging woman he brought was not, and Jack resigned himself to a lifetime of loneliness.

That was until he took a walk down the beach and met her. A woman who didn't recognize him from the tabloids and only saw him, the man behind the money. Of all the women Jack had ever met, there was nobody like Emma LaRue. With one pretend marriage ceremony, she would change his life forever, and become the only one he ever wanted to give his saltwater kisses to.

This 25k word novella is the first half of *Saltwater Kisses* written from Jack's point-of-view, with a few bonus scenes thrown in as well. It contains the first half of *Saltwater Kisses* as a sample and also throws in the cast of all the Kisses books in an ensemble that is sure to make any of Krista Lakes' fans happy!

Emma pushed open her door and nearly stepped inside before he caught her.

“What do you think you're doing?” Jack asked, his eyes twinkling. Despite running along the beach, he wasn't out of breath from running. He was out of breath controlling himself with Emma. It had taken every ounce of willpower he processed to get her back to the hotel room. The only reason he had managed to wait was that it was technically their wedding. He was looking forward to this part.

“Opening the door?” Emma cocked her head to the side, confused. She had sprinted just as hard to get back here.

With a fluid motion, Jack scooped her up in his arms. She giggled as she realized what he was doing, wrapping her arms around his neck and holding him close. She pressed her nose into his throat and inhaled, taking in the scent of him. It made his heart race with primal need.

He carried her to the bedroom, setting her down gently on the floor. She held onto him for an extra moment, as if she were soaking him into her skin. When she looked up at him, her long lashes fluttering over sea-green eyes, his heart melted into a puddle on the floor.

She stepped back and in a one smooth motion raised the hem of her sundress up and over her head. All she had on was a pair of tiny white panties. Jack's breath caught and all the need he had been keeping tamped down came roaring to life...

This novella is now included at the end of Saltwater Kisses as well.
