When Emily tells her best friends about it, they see only one possible course of action to rescue her relationship: Emily has to get the sex she needs from someone else. Emily is shocked and wants to hear nothing of it, but the muscular black cab driver taking her home would be the perfect affair.
Will Emily have enough courage to finally get the sex she deserves?

Excerpt:
When the car came to a stop, she was already sitting completely naked in the back, shivering from her nervousness. The black man looked over his shoulder and said: “Come on baby, get out of the car and show me what you what you got. Maybe it will just be enough to pay me.”
Emily looked around. The parking space was surrounded by trees on all sides, so that they probably wouldn´t be seen. She got out of the car and began to slowly walk over to the other side, where the driver was waiting for her.
She was looking around shyly, even if no one could see her, she felt as if her every movement was being watched, she wasn´t used to walk around completely nude in the open. For just a moment she thought of fleeing from here, but she forced herself to walk forward, she just had to try.
The driver looked even more muscular and bigger now that he was standing. He could really go for a bodybuilder. When she mustered him from top to bottom, she saw that his jeans was open and his cock was already hanging out.
