NEW! Spring Theme - 60 Day Home Learning Journal - A Very Creative Curriculum, for Very Creative Kids who love Drawing and Creative Writing.

Book lovers and reluctant readers LOVE using our journals!

This is an forest and spring garden themed journal. It will last for three months if you use it 20 days per month, each day's activities include about 5 - 7 pages of home learning bliss.

Kids don't realize that this is a structured home learning curriculum, it's just so fun!

This Curriculum Journal is geared toward ages 7 to 17 - Students must be able to read on a 2nd grade level to get the most out of this method. Younger children will need more help, older students can work independently.

Question: How can a 2nd grader and 7th grader use the same curriculum?

answer

For grade level learning: Use the appropriate library books, movies and tutorials to customize the lessons for the child's age, interests, grade level, educational goals and learning challenges.

The creator of this journal has eight daughters, and she designed this for them to all use at the same time, but each girl has her own stack of grade level library books on a vast array of topics.

This Home-learning Curriculum Journal is for kids who love to learn using a variety of methods, and for moms who want their kids to be more independent with their studies. Mom only needs to help for the first three days, and then the student can work independently.

Now you can learn everything you want to know with library books, movies and YouTube tutorials! Learn from nature. Be creative. Use your own imagination while studying up to 8 Subjects! This home learning journal will guide you through your stack of educational books and movies!

This book includes many activity pages: Spelling Practice, Math Practice Pages, Reading Time, Film Study, Meal Planning, Copywork, Listening Time, Observation Time, Emotion and Mood Evaluation, Nature

Study, List Making, Therapeutic Coloring, and several other fun and educational activities.

Choose library books about anything you want to study including books about science, travel/geography, literature, cultures, skill building, math, inventions, history, and any other topic that is interesting or necessary.

Parents!

Now your student can turn any stack of books into a home learning curriculum. This handbook is an activity book and daily journal that allows your student to have a customized education without creating a lot of extra work for you.

Many students are more interested in real books than in textbooks! This is an excellent way to help your students to develop their talents, interests and deepen their knowledge of topics that are meaningful to them. Just visit the library and bring home 8 great books!
