The Program - Master the Art of Dating and Attracting Women in Six Weeks Joseph Adago
STEP-BY-STEP, DAY-BY-DAY, REVOLUTIONIZE YOUR LOVE LIFE

If you are looking for a typical pick up book, don't buy this book. The Program is not about going to clubs or bars and taking women home, it is not about one night stands. If you are looking for this, go with The Game, Bang, or any number of other dating books.
However, if you are looking to get better at dating and ultimately looking to find a girlfriend then this book is for you.
I am not going to show you how to pick up girls at bars... In the Program you do not approach women at bars or clubs, in fact I advise guys against approaching women in these places.
But I will show you how to get 2 dates a week from online dating alone.
I am not going to show you how to manipulate or "neg" women,
But I am going to teach you a practical, step by step system that will show you how to get dates with wonderful women and then get better at dating women on these dates.
The Program, is a practical, hour-by-hour guide for getting better at attracting women.
The changes you will make with The Program are practical and simple. I will show you how to get women to be attracted to you and how to correct the mistakes which you have been making in the past.
This book is like no other dating book you have either read or have heard of, and it will change everything for you.
