Leo Deege

Warrior: From Nazi Occupied Holland to the Jungles of Vietnam...An Immigrant's Story Leo Deege Leo remembers the chaotic times when Germany occupied The Netherlands. Many tales are related from his childhood, which include three attempts to flee his home and go to America. After graduating from a Dutch high school he emigrated to the US where he became a happy go lucky college student, played water polo and eventually graduated from UCLA. After college he enlisted in the U.S. Army and rose from Private E-1 to Captain Artillery. After training his battery with a fine crop of men and officers he fought for one year in the jungles of Vietnam. Many ironies of war and conditions back home are reflected on.
