Wild Sargasso Amen Henriques
The last time Vivian McCormick had seen Lord Gregory Whiting, she had heartbreakingly broken off their budding love affair when she found out she was nothing but a summer fling for the millionaire aristocrat. Now 10 years later, she is forced to work with him in very close quarters on a dangerous undersea assignment near the Sargasso Sea. Though she thought she'd been toughened by years as a US Navy diver, Vivian finds her heart is still easily bruised by Gregory's coldness and obvious contempt for her. If only he would stop baiting her and touching her every chance he got!
