Blood Service (All Wrapped Up) (All Wrapped up Multi-Author Book 1) Angela Knight
Adiva Mayhew is a spy -- and a damn good one. But now she's running for her life from a deadly bounty hunter -- who's also a vampire. General Borian Tang has offered a high reward for her capture, and the man known only as Vigilante apparently means to collect. When Vigilante catches up to her, she soon finds all he wants to do is take her -- over and over again. And as she yields to his seductive domination, Adiva finds she wouldn't have it any other way. Trouble is, Tang is still determined to capture her, and there are other bounty hunters eager to claim the reward...

"4 Flags! The sex scenes were explosive and should have come with a warning for the reader to have a fire extinguisher handy during reading. The author did a great job of connecting the reader with the plight of each of the characters."
