When bad boy Dom Quentin finds out about his secret baby in this final installment of the erotic romance Web Master Trilogy, he'll do everything in his power to re-claim his submissive and bring their family together.

She's my addiction, my love--my life.
She's changed me, and I never want to go back.

I tried to protect her.
Hell, I tried to protect myself,
but I fucked it all up.

I may be a sick bastard, but I would lay down my life for her.
And I'll do whatever it takes to make every inch of her mine again.

I always tell her for every ounce of pleasure a price must be paid.
She's already paid more than she ever owed.

Now it's my turn to pay.

Claimed by Her Web Master is the final book in the Web Master Trilogy and should be read following Her Web Master and Tested by Her Web Master.
