Revolution!: The Call to Holy War Michael L. Brown
This book is not a call for the violent overthrow of the government, nor is it a call to take up arms, nor is it a call to political activism in and of itself. It is a call to something far more extreme, a call to live out the gospel with all its radical claims, a call for the people of God to impact this generation with the prophetic message of repentance, a call to spark the most sweeping counterculture movement in our nation's history, a call to take back the moral ground that has been stolen from under our feet, a call to follow Jesus by life or by death. In that sense, it is a call to start a revolution - now!
