HOSTILE TAKEOVER by Aubrey James

Dubbed "The Ice Queen" by those who have done business with her, Sheila Carver has built her deceased father's digital publishing house into a billion dollar business by being a hard-nosed she-devil that always wins, no matter who gets hurt in the process.

When her mother marries Samuel Wells, a successful entrepreneur in his own right, their companies merge with Sheila at the helm; a fact that Sam's son, Patrick, struggles to deal with. Patrick is determined to get this meddling woman out of his hair and his business for good, even if it means being nice to her during the day and making love to her all night long...
