Advanced Chain Maille Jewelry Workshop: Weaving with Rings and Scale Maille Karen Karon

Chain maille patterns and weaves that take jewelry design into new frontiers!

Jewelry artists will enjoy a collection of new, less-common weaves and challenging projects that inspire and educate.

Author Karen Karon begins by reviewing basic chain maille weaves in order to set the stage for the more complex weaves in this book. She explains techniques needed when working beyond the basics: methods for closing a weave, working with micro rings, working large scale, and using alternative materials in weaves. The book is then divided into 4 sections, each devoted to a particular type of weave: new Persian weaves, Elf-based weaves, Hybrid weaves, and Scale Maille weaves that incorporate sheet metal scales into traditional weaves for a striking effect. Sprinkled throughout the illustrated step-by-step instructions for each weave technique are valuable tips from Karen to help ensure a beautiful finished piece.

You can read the e-book on your own smart phone, so you can read the idea anywhere you want.

Andrew Blanton:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Advanced Chain Maille Jewelry Workshop: Weaving with Rings and Scale Maille can make you experience more interested to read.
