Black Friday: Fast-paced International Thriller About a Conspiracy to Disrupt the World's Financial Markets [COMPLETE AND UNABRIDGED] (8 Audio Cassettes/11 Hrs.) James Patterson (8 Audio Cassettes/11 Hrs.) In this "wheels within wheels" thriller, a group of Vietnam veterans have formed a terrorist organization called Greenband. They warn the FBI that they plan to blow up random Wall Street buildings and demand that the area be evacuated. The government waits for ultimatums, but none is forthcoming. Later that day, many buildings on Wall Street are destroyed. New York Police Detective Archer Carroll is called in to work on the investigation, along with Caitlin Dillon, SEC enforcer and financial wizard. When huge numbers of stolen securities start to turn up on the worldwide black market, the motive for the bombings becomes apparent. Dillon works to stave off a collapse of the stock market while Carroll tries to track down the terrorists. The final confrontation reveals all the deception and manipulation, unraveling conspiracy of the highest order. Read with energy and mastery by Peter Jay Fernandez, the story is fast paced and seems to be based on solid research.
