Bare Naked Designs, #1

How far would you go to hold on to forever?

Martina Jackson spent the last two years running from her past. Through the practice of Holistic Medicine she has meticulously transformed into a self-fulfilled woman, with one tiny exception. . .hot, steamy sex with no strings.

While she waits for the job offer of a lifetime, why not quench her sexual desires with an eager man willing to push her to the limit? What she doesn't plan for is, the fling is exactly what she's been running from.

Rob Taylor has been waiting his whole life to find the woman he can call forever. He didn't expect to find her in his parents' living room wearing nothing but white lace and stockings. When he overhears her discussing her secret sexual fantasies, Rob decides to give her what she's been missing.

As they play out each fantasy he connects with Martina on a deeper level, confirming what he knew the very first moment he heard her voice. . .that she is the one he's been waiting for.

WARNING: Explicit sex, ménage and the use of Holistic Medicine as foreplay.
