Randall Thompson noticed the attraction that **Ashley Lane** and **Davio Porchelli** shared. He knew that he must do something to get Ashley out of Davio's life. He wanted Davio to marry his daughter, Sarah. He devised a plan to get Davio out of town for a few days on a business trip. While Davio was out of town Randall planned to ensure that Davio never again wanted Ashley in his bed.

Ashley was working on the dining room in Davio's house. Davio had given her a key and told her he would be out of town for a few days, but there was no reason she had to stop working. She completed her first day and was about to head out the front door when she ran into Randall and two of his thugs.

Davio was livid when Randall showed him pictures of Randall and Ashley making love in HIS bed. Randall was trying to tell Davio that Ashley came onto him, but Davio knew better. Randall would pay the price for his deed and Davio would do his best to get Ashley back into his bed.
