In "Stand Bi Her Man," six cuckolds find themselves ordered to perform the ultimate act of marital submission: servicing his woman's lover! These women know how much it means when a straight husband or boyfriend is willing to pleasure another man to show his submission... and they get off on it.

Within these pages, you'll find a husband whose wife gets re-acquainted with her exotic ex-boyfriend at a hot tub party, only to get him involved... and insistently guide his mouth somewhere it's never been! You'll discover a cross-dressing husband ordered to "fluff" his wife -- only to find his eager licking slyly subverted into sucking as he's passed from wife to boyfriend! There's a man whose wife drops into his office for a very lascivious lunch -- not with her husband, but his boss! There's a polyamorous girlfriend who texts her voyeur boyfriend inviting him to come witness her getting tied up by a handsome, hot and experienced local bondage master... only to find herself turned on the most by how easily the confident stud tops her very straight boyfriend! There's a cuckold husband brought to a piercing parlor for a new "adornment," only to find the studly piercer getting to know his wife better than he does! And there's a submissive cuckolded husband who finds himself gradually feminized by his increasingly slutty and dominant wife... until the night comes when she brings home her "date" to provide the next phase in her sissy slut's "training" as a woman!

As these six men surrender to the demands of their female lovers to pleasure other men, they find themselves with more than just their hands full! In "Stand Bi Her Man," every studly boyfriend ends the date with a smile. Every submissive cuckold, on the other hand, ends it with his mascara running!
