The Wedge Between Us: Removing the obstacles from my life... Heidi S. Quimby
Do you have obstacles that are in the way of you becoming all that you want to be? You are not alone. We have all had things get in our way of reaching our goals; “wedges” that are crammed into our relationships, forced into our thinking, driven into our belief systems which then create the person we think we are. Wedges are defined as something that is set in place to maintain a gap or separation between two things. They have their place in the world, for things such as splitting wood or plowing a field, however, when they create the space between you and your happiness…they need to be removed. Throughout the pages of this book, you will be inspired to pull out all the stops that are holding you back.
