Cowboy Lust: Erotic Romance for Women

Cowboy Lust: Erotic Romance for Women
These cowboys ride hard...

There's a reason Western romance novels never go out of fashion. The cowboy is an iconic figure embodying the dichotomy of the fiercely independent, earthy alpha male crossed with the male as a nurturer and protector. Cowboys take care of their women in every possible way. Wild and wayward women are gentled by the scent of horse and cow and the sight of sun-kissed skin, the feel of work-hardened thighs and arms, and the sound of a deep-voiced Texas drawl.

Contributors at the top of the Western romance genre, including Charlene Teglia, Randi Alexander, Cat Johnson, and editor, Delilah Devlin, have corralled strong and memorable characters ranging from ranch hands to cattle barons, to a rodeo star and a feisty female gunslinger. Traversing romantic settings from Montana, Texas, California, Mexico, and the Outback of Australia, the stories in Cowboy Lust are risky and risqué, full of studs in spurs hot enough to send you to a vacation on a dude ranch!
