Live It, Love It, Earn It: A Woman's Guide to Financial Freedom Marianna Olszewski
"Part motivational, part personal finance...Olszewski seeks to first inspire before she walks you down the path to prosperity."
-*The Washington Post*

Marianna Olszewski didn't start out rich, happy, and fabulous. Strapped-for-cash beginnings motivated her to strive for abundance and financial independence-goals she exceeded by age thirty as the founder of a multimillion-dollar business.

Now she reveals the lessons she learned and the savvy strategies of other amazing women like designer Diane von Furstenberg and Congresswoman Marsha Blackburn. She shows how to:

- Say Yes to Yourself: Turn toward people and situations that enhance your well-being, and away from those that don't.
- Fall in Love with Your Money: When you treat your money with respect, keep track of it, and spend and save wisely, your money will always love you back.
- Act as If: Start your transformation by acting as if you already are as successful, intelligent, and prosperous as you want to be.
