Sarah thinks her life is on track until the night of her 29th birthday party. The discovery of a list written by her younger self outlining what she wanted to achieve by the age of 30 turns Sarah's world upside down. Suddenly her seemingly happy life and career look lackluster, setting Sarah off on a journey to transform her life. On her quest to achieve perfection one month at a time – a happy marriage, partnership in a law firm and being able to fit in a size six purple suede miniskirt – Sarah learns to challenge society's ideals of achievement. Filled with harsh reality, humor, and romance, Next Year I'll Be Perfect explores what true happiness and success is all about.
