Few people today realize that evil all around us is the visible evidence of a great war that has raged in the universe for thousands of years now. Patriarchs and Prophets is one of the only books available anywhere that can reveal with accuracy and authority just how and why this great war began and who is behind it.

Patriarchs and Prophets is the first in a series of five exciting and inspiring books covering the history of the world. The second book is Prophets and Kings, the third is the Desire of Ages, fourth is The Acts of the Apostles and the last is The Great Controversy. Start with this book, then read the others. And remember, even though what you are about to read may astonish you and seem incredible, it is 100 percent nonfiction. Every word is true!
